Central Intelligence Agency
Washington, D. C.

Dear Stan:

In recent months there has been a flurry of activity over the events surrounding the Israeli attack on the USS Liberty in 1967. Because of some recent inquiries that I have received, I would like to know more about the whole incident. I would appreciate it if you would make available any classified and/or unclassified studies to Earl Eisenhower of the Intelligence Committee who will keep them secured for me.

With best wishes,

Barry Goldwater
